Message from the Chair of Governors

A Heartfelt Thank You to Rebekah

It is with deep sadness that today is Rebekah's departure from our school due to health reasons.

Since joining us in 2022, Rebekah has been a transformative leader, dedicated to building a strong, supportive school community. Her unwavering commitment to ensuring every child receives a high-quality education has been evident in the meaningful changes she has implemented. From closing the learning gap caused by COVID-19 to redesigning our foundation curriculum, Rebekah has not only provided the necessary tools and support for our children but has also remodelled our entire curriculum and teaching approach.

Her leadership has fostered a culture of inclusivity and respect, shaping our children into engaged and thoughtful individuals.

The school's growing reputation and increased demand for places are a testament to the incredible work she and the team have accomplished. The overwhelmingly positive feedback from parents, staff, and children speaks volumes about the impact she has made.

Rebekah leaves behind a strong foundation for our new Headteacher and teaching team to build upon, ensuring the continued success of our school.

On behalf of the governors and the entire school community, we extend our deepest gratitude to Rebekah for her dedication, vision, and lasting contributions.

Thank you, Rebekah – you will be greatly missed.

Louise Bleathman

Update from the Governors

We have had a busy Spring term full of meetings and monitoring visits. These have included lesson visits where we have been observing students learning across a range of subjects, pupil conferencing, book looks, spending time outside at lunchtime to see how the children engage in OPAL and supporting Tadley's got talent. It has been fantastic to see how happy the children are both in lessons and during social times as well as how proud they are to share their work and learning with visitors in their classrooms. One highlight was attending a 'Be Proud' assembly where the year 6 children delivered and led the assembly, which was full of celebration and meaningful praise for so many different children.

Pupil well being

It has been pleasing to see the school's focus on well being this term. We are fortunate to have the well being hubs and a range of pastoral staff to support our children. We are also pleased to hear how well the 'My Happy Mind' programme has started and how the children have been using their journals as part of this process.

Class teachers provided parents with the QR code for the app which supports this programme at parents evening.

If you would like to get in contact with the governors you can do so by letter to the school office or via email to our Chair louise.bleathman@tadley.hants.sch.uk

Governor Newsletter

Spring 2025

Summary of the parent survey in the Autumn term

100% of parents who answered the survey said their child is happy at Tadley Community Primary school!

<p>99% said your child feel safe in school.</p>	<p>92% said we make sure children behave well.</p>	<p>97% said we make you aware of what your child is learning.</p>
<p>94% said we have high expectations.</p>	<p>99% & 96% said their child does well & the school lets you know how your child is doing.</p>	<p>97% said there were a good range of subjects.</p>
<p>95% said we have a good range of clubs & activities.</p>	<p>90% said we support children's wider personal development.</p>	<p>99% would recommend our school.</p>

Thank you

Thank you to all of the parents and staff who gave feedback as part of our recruitment process for a new Headteacher. We appreciate your time and views.
