Governor Newsletter September 2024

Hello from the Governors

Community change makers

Welcome to the new school year, especially to our new year R children and parents. We are looking forward to seeing what everyone achieves and experiences this year.

We are thrilled to hear that all of the classes have chosen a charity to fundraise for this year and also raise money for the school. This money will make a huge difference for your children in terms of accessing new resources. Teaching our children about charity and fundraising is so important and we look forward to hearing what they go on to achieve this year. Well done to all involved so far!

We wanted to re-introduce ourselves. We are a team of 10 governors from a variety of different backgrounds. We work as a team alongside the staff to support Tadley Community Primary school throughout the academic year. We are looking forward to our upcoming school visits, training and meetings. We also support school events. We will be available at both parents evenings in October to answer any questions you may have.

Would you like to be a school volunteer? *If you can spare some time to volunteer with reading, school trips and other events please contact the school office.*

If you would like more information about us and what we do please have a look at our page on the school website:

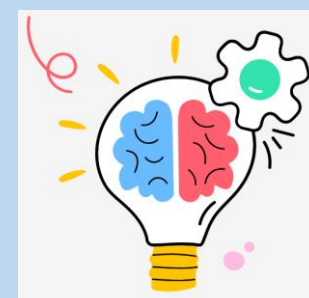

<https://www.tadleyprimary.co.uk/governors/>

How can you support?

7 governor attributes

Have you considered becoming a governor? Do you have transferrable skills that would make a good governor? Do you want to support your local community?

- **Committed**
- **Confident**
- **Curious**
- **Challenging**
- **Collaborative**
- **Critical**
- **Creative**

We are looking to recruit a new governor and would love to hear from you. Follow this link for more information:
