Dear Parents and Carers,

## RE: YEAR 1 Trip to Milestones Museum

Year 1 will be visiting Milestones Museum to enhance their learning on 'Toys', which is their project this term. The children will have the opportunity to take part in a 'Toys and Games' workshop, led by a specialist from the museum. The children will experience play time in the past through active participation with a range of toys and games from within living memory. They will learn about how toys and games have changed over time and compare the toy exhibits with the toys that we enjoy today. We will also have time to view other exhibitions and enjoy what the museum has to offer, including their new teddy bear exhibition.
