

GOVERNOR NEWSLETTER

SPRING TERM 2020

HELLO FROM OUR CHAIR

Dear Parents and Carers,
A very warm welcome to you all at the start of the second part of Spring Term. On behalf of the Governors, I hope that everyone is enjoying the Spring activities at school. The Governors have been busy behind the scenes as usual having supported the school through the recent OFSTED inspection. We were all delighted with the outcome and the high praise we received. More detail for this is given below.
Yours sincerely,
Mike Warner – Chair of Governors

OFSTED RESULTS - WE ARE GOOD!

As you will have heard, our school was confirmed as **GOOD** again at our recent OFSTED inspection in November 2019. This is wonderful news and recognises the hard work from all the staff, governors and pupils, and also the great place that Tadley Primary School is.

The OFSTED report recognised and commended us for providing a happy and safe environment for children to learn in. Our pupils and staff get on well together, and pupils and parents know that the teachers care and want their pupils to do their best. As a result of this, our pupils do well!

At Tadley Primary School, lessons are well planned and our pupils do well in English, Maths and Science. The school regularly has experts come in to help with developing these lessons and this was recognised at the inspection.

The inspector was very pleased to see the large number of after school and extra options offered to our pupils. This is a wonderful addition to our school and the inspector noticed that most pupils are involved in an extra activity or club.

The OFSTED Report is available for everyone to read via our website (see Key Information). Our report makes us really proud to be a part of Tadley Primary School.

WHO ARE THE GOVERNORS?

Mike Warner - Chair, **Maureen Graham** - Vice Chair, **Jan Draper** - Governor, **Louise Bleathman** - Governor, **Melissa Stroud** - Governor, **Richard Mackworth-Praed** - Governor, **Gail Thompson** - Clerk to Governors, **Jo Messenger** - Governor, **Kerri Culver** - Governor and **Steve McKay** - Governor.

PARENT SURVEYS 2020

The Governors really look forward to meeting you all at the forthcoming Parent Meetings. We will be asking parents to help us with our annual survey to let us know how things are. The results you give help us to develop our school and make improvements. Come and say hello! We will be able to answer your questions too. We thank you in advance for your time.

VOLUNTEERS IN SCHOOL

The school recognises the help and support provided by our volunteers; some of whom are our governors too! If you can help the school in any way, from reading weekly, to attending trips, the school office would be delighted to hear from you. Your help is invaluable to the children and the teachers. Get involved... make a difference!!

HOW TO GET IN TOUCH WITH US

If you would like to contact the Governors you can do so either by letter via the school office or by email:
m.warner@tadley.hants.sch.uk

For more information, please visit our Governors page on the school website:
