LOOKING AHEAD INTO 2026-2027

OUR MAIN AIMS

Support educational opportunities
Raise funds to provide additional learning resources, enrichment activities, and experiences that support the school curriculum and all children.

Create and celebrate a strong school community
Organise inclusive events and initiatives that strengthen and celebrate the relationships between children, parents & caregivers, teachers and staff, and our wider community.

Support student wellbeing, both in and beyond the classroom
Promote a positive school environment by funding projects and activities that encourage creativity, wellbeing, personal pride and growth.

We will also be covering the cost for a whole school visiting pantomime, Christmas celebrations, Y6 goodbyes & celebrations, £5 per child to support school trip costs, plus more....
A full overview of the schools funding requests can be found within the AGM minutes, shared on the school website.

WHY VOLUNTEERS MATTER...

Volunteers are at the heart of our PTFA, helping to turn ideas into action and making a real difference for our school community. Every volunteer effort, big or small, one hour or more, has a lasting impact and helps our PTFA thrive. All of the elected committee this year are parent volunteers too.
